Decision about the Accreditation Procedure

Dear Meinarni Susilowati,

We herewith inform you about the decision of the Accreditation Commission taken on 12 December 2025 regarding the accreditation procedure for the below mentioned degree programmes. Taking into consideration the assessments of the expert panel and the relevant Technical Committees, the Accreditation Commission took the following decision:

| | | | |
|--------------|-----------------------------------|---|------------|
| Ba Biology | With requirements for one year | - | 30.09.2031 |
| Ba Chemistry | With requirements for one year | - | 30.09.2031 |

In case the accreditation has been issued with requirements, it is valid until 21 April 2027. If the requirements are fulfilled in due time, the accreditation will be extended until the maximum duration indicated in the table above.

We kindly ask you to submit written documentation for the fulfilment of the requirements until 21 October 2026.

Please consult the accreditation report for detailed information on the accreditation process and its outcome. This report will be published on ASIIN's website. The Accreditation Commission has further decided that it is the responsibility of the higher education institution to inform the relevant national authorities about the accreditation.

Please note that substantial changes in the structure, contents and the endowment of the degree programmes made within the accreditation period must be brought to our attention. Such changes would have to be examined by the Accreditation Commission.

I thank you for the good cooperation with the members of your institution, also on behalf of the peers, and remain

Yours sincerely
